Please Note:

- Further detail on how this request will be dealt with and SkyCity's approach to personal information can be found at skycity.co.nz/privacy-policy.
- In order for you to receive the information you have requested you will need to complete all the details above.
- You must provide acceptable valid identification. Acceptable identification is one form of valid photographic identification or two forms of non-photographic identification acceptable to SkyCity.
- SkyCity does not guarantee that any information provided pursuant to this request will be complete and/or accurate. This is due to the manner of collection of transaction record details in SkyCity's electronic loyalty system and the manner of individual play (ie. carded and/or uncarded).
- Where a win/loss report is requested please note that values provided may be for combined transactions and, in that instance, will not constitute evidence of any win/loss results.

If you are not making this request in person at SkyCity please email the completed form together with a copy of your identification to privacy@skycity.co.nz.
