

VERIFYING YOUR DETAILS AT SKYCITY

Here at SkyCity we take time getting to know our customers, it's how we keep things safe, secure and tailored just for you. When enrolling for SHOW by SkyCity, we need to verify your identity, as it's an important part of how we look after you.

All forms of identification provided by you must be valid at the time they are provided. SkyCity may require you to provide updated documents if those held are expired or otherwise unsuitable for verifying your identity.

If you are unable to complete the enrolment process because we cannot verify your identity, SkyCity will be unable to register you for SHOW by SkyCity. If you already hold a SHOW by SkyCity card, this card will be deactivated. In these circumstances, you will be unable to access SkyCity's gambling facilities until you have completed the required process and a SHOW by SkyCity card has been issued to you.
